sick at Cincinnati. The City of New Orleans passed down yes-terday morning for New Orleans with a big trip. She was drawing 9 feet. She added here a lot of miscellaneous freight. The Vint Shinkle arrived Sunday evening LIME AND CEMENT—Alabama lime, 95c@ \$1 a barrel; Tenuessee, 85@90c; Louisville cement, \$1 70@1-75 a barrel; Rosedale, cefrom Cincinnati with 400 tons miscellaneou freight for this place, and returned again last evening with a light freight and a fair trip of people.

We saw Captain W. P. Hall, of the Mark Twain, resterday, who informed us that his boat was at present in the docks at Fort Pickering, and would be off some time next to Hale's Point and to Dyersburg, taking in to Hale's Point and to Dyersburg, taking in the latter whenever wind and water will per-mit. Captain Hall is favorably known in the upper bends, and his line promises to make a showing in Memphis prosperity. The attention of the health authorities is called to the condition of the wharf. It has not been long since the expense of buying hose and necessary paraphernalia for keeping it clean was indulged in, and the river people diam, \$2@2 50.

were promised that an unclean wharf would never more offend. The promise was pretty well fulfilled for a while, but when the necessity most demands attention it seems to be most neglected. The declining river has exposed acres of filthy deposit most offensive to smell and repulsive to sight, which the longer it is allowed to remain becomes the more difficult to remove. The wharimaster

should employ the means placed in his hands for this purpose, or sell it out. Slight Accident to a Grain Tow. CAIRO, August 28. - The steamer My Choice, from St. Louis, coming into the Ohio river last evening, struck the bar and caused one of her barges, laden with bulk wheat, to leak so badly that it had to be transferred to another barge.

Sr. Louis, August 27.—The towboat Fear-ess, belonging to the Missouri Valley Transportation Company, struck a sung in the Missouri river, 14 miles above here, yesterday morning, and is supposed to be a total loss. She had 3 barges in tow which were not injured. The Fearless was valued at out \$30,000, and was insured.

The last creation of this line, the Arkansas City, which has already arrived at the pro-portions of the monarch of Western waters, arrived at this port at a late hour last night, and will be found at the wharfboat this morning. Like all the others of this line, she was built at Jeffersonville, where there of the Arkansas City are as follows, as we get them from the St. Louis Republican: "Length, 273\(\frac{1}{2}\) feet; beam, 44\(\frac{1}{2}\) feet; depth of

steel of 70,000 tensile strength, each one being 44 inches in diameter and 30 feet long, and allowed 165 pounds steam. There is also a nigger boiler, 12 feet long and 36

nished gorgeously, with large double bed-stead, fine washstands, and a wardrode with mirror in door. Then comes the ladies' cabin furniture, which consists of 28 pieces, finished in grand style. The large mirro which adores the ladies' cabin is made bey lled, and presents a fine appearance. fact, everything about the cabin is of the latest style and pattern, and presents an ap-pearance excelled by none. The texas is large and roomy, and has a bureau for colored passengers fitted up in perfect com-pleteness. An eye has been looked to for the comfort of the crew, whose apartments are all that could be asked for. The bar, which is forward, is of large size and elegantly furnished, and contains as an ornament a vase covering an achor made of shells, to which is added the initials J. G. P., those of J. G. Prather, the owner of the bar. All the mod-ern improvements providing for safety have pipe rauning fore and aft on the main deck which can be filled with water at any mo-
